### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or suggest the combination that would teach an explosive device that is capable of self-remediation if the explosive device fails to detonate, the explosive device comprising: a shell that allows water to permeate from the exterior of the shell to the interior of the shell; the shell interior containing a quantity of explosive material housed within the shell; microorganisms positioned within the shell interior such that they are capable, upon being mobilized by contact with water, of bio-remediating the quantity of explosive material to deactivate the explosive device; and a nutrient positioned within the shell interior such that it provides nourishment to the mobilized microorganisms.
2. This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
